PERSONAL PROJECTS

Bolt Bazar
- We need to create an e-commerce website for a start-up called NutnBolt. The end user would be small-scale restaurant owners who want to increase the customer base.

SHE-IN
- SHEIN is an affordable online shopping platform with a distinct tone focusing on women's fashion.Even it many categories where user can add any item to whistlist and cart

COCKTAIL-DB
- The application allows a user to search for a cocktail by single ingredient or name of the cocktail. Clicking on a cocktail provides information on the ingredients and instructions on how to make the cocktail.

EXPRESS MANAGER
- Application that helps you manage and track your daily expenses. Designed to help you to manage, report and always be aware of what is happening in your own wallet.

TYPING SPEED
- Free online typing test to see how fast you type! Features lots of text options and many test lengths. Easy and fun way to test and improve your typing speed.
